Margaret – in addition to the Saturday employees on the spread sheet, I had dedicated staff working EIC related tasks myself included. This is our best faith estimate for the period between July 10<sup>th</sup> and November 14<sup>th</sup>.

Deanna Trautman (A-11) – 34 hours  
Lydia Goforth ( A-15) – 76 hours  
Olivia Garcia (A-15) – 86 hours  
Esther Vasquez (B-19) – 182 hours  
Cyndee Fowler (B-19) – 289 hours  
Lisa Daughtry (B-22) – 196 hours

Total hours for this team = 863 hours

Body count between Saturday workers and this team = 39  
Total hours for both groups = 1,367

Lisa and Diane,

Please see Saundra's email below. This is a priority assignment.

Staff should be saving everything to :P:\License Issuance\Processing and Routing Services Staff\VOTER ID\_EIC\_SB14. Sara and Cari worked most Saturdays and should have the spreadsheet up to date to be able to quickly locate this information.

Lisa – also include the normal time you, Cyndee and Esther have spent on reviewing EIC documents.

Return to me by noon tomorrow.

Thank You,

I am trying to get a head count of everyone that has worked on EIC here at HQ (and Camp Mabry).

- Priority – just a head count (names would be helpful but not necessary). Anyone who has spent ANY time (normal and/or OT/comp) to assist with anything directly related to EIC.
- Later, I'll need ***rough*** estimate of hours spent by those who have work EIC (regular and OT/comp)

Would it be possible to get the head count by this week or by Monday? The estimated hours can come next week.

I appreciate you guys taking the time to get the data and let me know if you have any questions.  
Thanks,
